

Bird Boxes

listed March 2018 by Gill Chiverrell and Wendy Johnson

Number on plan	Type of box	Location
1	wooden	In NE corner across small boardwalk on trees by the stream
2	wooden	
3	wooden	On large ash by upper swing gate
4	woodcrete	On ash on bank opposite swing gate
5	RSPB wooden	On large ash by picnic tables
6	wooden	Behind pond 1(east side)
7	RSPB wooden	On lime near pond 1(north west corner)
8	woodcrete	On ash on moat bank (north side)
9	woodcrete	Near boardwalk in copse (NW)
10	woodcrete	Northern end of copse near stream
11	wooden	On large oak in copse near yew tree and stream
12	woodcrete	In copse near boardwalk opposite 11
13	woodcrete	In copse on field maple which lost a branch
14	wood	On SE corner of island
15	wood	On SW corner of island
16	wood	Half way along west side of island
17	wood	Near NW corner of island
18	wood	By boardwalk near seat on south side of moat
19	wood	On tree to left of main entrance

Woodcrete ones show no sign of deterioration. Wooden ones in good or reasonable condition though RSPB 7 has been pecked /gnawed through above metal plate!

The two RSPB boxes need a screw driver to open the side - for easy cleaning.
