

Wendy,

I promised Gareth Thomas that I would visit the Millennium Green to collect some hoverflies. I managed two visits, but unfortunately it has taken some months to get through the specimens for last year. At long last, this is the list. There is nothing exceptional to report - these are all common species.

Species	Grid Ref	10/07/2004	14/08/2004
<i>Episyrphus balteatus</i>	SP017574	Y	Y
<i>Eristalis arbustorum</i>	SP017574	Y	
<i>Eristalis pertinax</i>	SP017574	Y	
<i>Eristalis tenax</i>	SP017574	Y	Y
<i>Eupeodes luniger</i>	SP017574	Y	
<i>Melanostoma scalare</i>	SP017574	Y	Y
<i>Platycheirus albimanus</i>	SP017574	Y	
<i>Sphaerophoria scripta</i>	SP017574	Y	Y
<i>Syritta pipiens</i>	SP017574	Y	
<i>Syrphus ribesii</i>	SP017574	Y	Y

Regards

Patrick Taylor
